## PLANING HW INSERT CUTTERHEAD "CENTROLOCK" SYSTEM

**HW** **MEC** Avanzamento meccanico  
Mechanical feed

**APPLICAZIONE/APPLICATION:**  
Piallatura su legni teneri e duri.  
Planing on hard and soft solid wood.

**MACCHINA/MACHINE:**  
Macchine scormiatrici. / Four sides moulders.

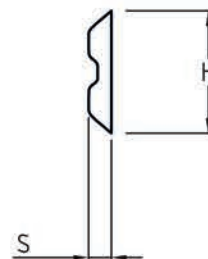

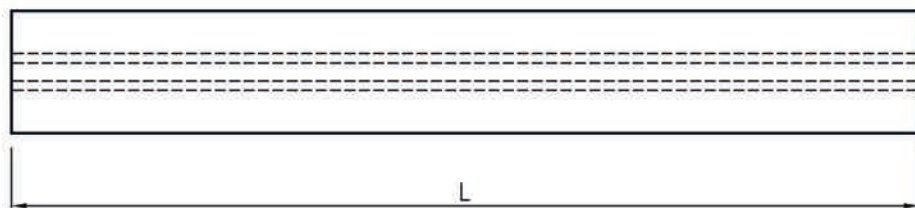

**INFORMAZIONI TECNICHE/TECHNICAL INFORMATION:**  
Teste pialla con corpo in lega leggera ERGAL, equipaggiata con coltelli HW sistema Centrolock. Permette una sostituzione rapida e precisa dei coltelli grazie al suo auto bloccaggio centrifugo, come ricambi sono disponibili anche coltelli in acciaio HSS per lavorazione di legno teneri.

Insert planer cutterheads manufactured with ERGAL light alloy body, equipped with Centrolock HW inserts. The system allows a quick and precise knife replacement thanks to its self-locking centrifugal inserts. As spare parts are also available HSS inserts for soft wood processing.
